Instructions to the Participants

- Kindly note that the allotment to ITP sessions are strictly on "**FIRST COME, FIRST SERVED**" basis.
- Only Available options will appear on your registration form. Any option not appearing on the form implies that the session is fully booked.
- Please note that each registered student / delegate can attend TWO different ITP Sessions.
- The sessions are repeated on the conference days to facilitate availability to all the participants. Repeat sessions are marked with an asterisk (*)
- Participants are requested to choose programs from two different time slots to avoid overlapping.
- Kindly note the program codes from the schedule as this code will be used for selecting options in the ITP registration form.
- Programs marked UG only / PG only are strictly restricted to the respective categories of the participants.
- Participants will be permitted to register only ONCE for the ITP sessions.

Greetings to the registered participants ! The registration links to the ITP Sessions are live now!
